Verification of 2016 IRS Income Tax Return Information for Student

If the student is married, this information is required for BOTH spouses. If you have separated/divorced since filing taxes, we need W-2's to separate your income from your spouse's. If you married after filing taxes, we need both spouses' taxes. If you change the marital status on your FAFSA after it is processed, we will need additional documentation. If you (or spouse) did not file taxes, we need an IRS non-filing statement.

- _____ The student has linked the taxes—**PLEASE do not make further changes to income and tax information on the FAFSA!**
